Rijiju assures tech support to deep sea AP fishermen

SAMPAT G.
SAMRITAN | DC
VIJAYAWADA, JULY 7

Union minister for earth sciences Kiren Rijiju assured all technical support to deep sea fishermen in netting a good catch, while lauding AP for being number one in the country in fishing industry and contributing majorly to India's GDP through blue economy.

Speaking to media persons here on Friday, the union minister said tech support will let the fishermen know the exact location of a huge catch of fish with timing, so that fishermen can get a good catch and earn better income. The fishermen will also be provided information abo-
